The Blossoms Experience

Fort Wayne Ballet Blossoms is a multi-year program designed to develop a confident and self-assured young woman.

A member of Fort Wayne Ballet Blossoms will be exposed to life enhancing skills in an environment that is safe and fun with other girls who share the same interests and talents. The Blossoms will focus on healthy living, the art of etiquette, and "becoming" their best manners; which are the keys to building positive friendships and strong self-esteem. The Fort Wayne Ballet Blossoms will be given tools for developing a sense of style and confidence that will shine from the inside out.

With every meeting the Blossoms will gain knowledge that will benefit them throughout their lives. They will also create a scrapbook of their experiences throughout the year; when they finish, all the memories and knowledge gained will be right at their finger tips!
